PROFESSIONAL EXPOSURE

Having been actively involved in the IT Field for more than 25 years, of which 18 years were at Top Level Management with renowned institutions. I have Designed & Created e-Library (carrying Judgments of Indian judiciaries), for Asia's Largest Law Publishing Concern and also shouldered exclusive position as "Special Ambassador for Indian Judiciaries" , including Discussions, Presentation, Negotiation, Order, MOU, Order Execution, Training and After-Sale-Support of e-Library. During this tenure, I could provide Presentation and Training to Hon'ble Judges of the Supreme Court, the Judges of High Courts/District Courts in India and also the Hon'ble Judges of Malaysian Supreme Court. My experience in e-Library has also included the "South Asian Law Portal" containing judgments of South Asian Countries (India, Pakistan, Bangladesh, Sri Lanka, Malaysia, Singapore and Brunei).

Now for the last more than 6 years, I have been in the Field of "Cyber Security & Training" having had more than 370 Successful Training Workshops PAN India.

HIGHLIGHTS IN THE CYBER SECURITY FIELD:

My proposal of "Adding Cyber Security to School Curriculum" has been approved by the State of Kerala and the concerned syllabus contents were also provided to the SCERT, Govt. of Kerala.
